

Join our free, fun and friendly community shed!

Use our workshop, bring in your own projects from home or help with local charity & community projects.

Open to all adults —beginners welcome as our tutor can help you learn how to use tools safely to make, repair and restore items.

Enjoy the company of others while you work on your projects, learn new skills and help others.

What kind of things might I do?

- ◆ Repair or restore a piece of furniture from home
- ◆ Build something from scratch using reclaimed wood
- ◆ Fix broken bed-frames for local households in need
- ◆ Community projects e.g. make benches or planters for another local charity group

How do I join?

Get in touch in person, by phone or email.

You'll have a short induction with Ron covering safety in the workshop and discuss your ideas, then you can come along to as many workshop days as you like.
