

Want to improve your maths in daily life?

Looking to become more employable?

Learn how to add and subtract in different ways with the WEA.

We'll show you how to use numbers for position, size, weight, capacity, shape names and properties, time and more.

An assessment of your skills is required for this course, to ensure it is the right level for you.

When: 10.09.18 – 11.03.19

Where: Chapel Park Community Centre
Chapel Park Road
St Leonards, TN38 6HR

How long: 22 sessions

Day & Time: Mondays, 12:30-2:30pm

Book an assessment today!

Tel: Debbie 07931341061 or Chapel Park 01424 714095

The WEA is a charity registered in England and Wales (no. 1112775) and in Scotland (no. SC039239).
